

A R B I

Protecting and conserving avian populations through research, education and advocacy

Bird Banding occurs from dawn until noon and dates are weather dependant.

Please check the website for banding cancellations and revised banding schedules.

SCHEDULE OF EVENTS

- **HWBS:** Bird banding at the Hueston Woods Biological Station
- We will be arriving at the banding stations at 6am—ish to put up nets.
- The grass is high and very damp in the mornings, so wear waterproof boots and bring waterproof pants. Dress in layers as it will warm up!
- **MUBO:** Bird banding at the Miami University Bird Observatory
- If you plan on arriving before dawn, please bring a headlamp.
